DISCLAIMERS

1. Horsepower and Torque ratings are based on premium fuel per SAE J1349® standard. Horsepower and Torque ratings based on GSO Technical Regulations (ISO 1585) are 308kW (440hp) @5,400 rpm & 691Nm @3,300 rpm respectively. Your results may vary. Horsepower and Torque are independent attributes and may not be achieved simultaneously.
2. Auto Stop/Start will not occur in all situations.
3. The Special Edition Package is available in select markets only. Contact your nearest Lincoln Distributor for more details.
4. Availability differs by market. Contact your nearest Lincoln distributor for more details.
5. Don't drive while distracted or while using handheld devices. Use voice-operated systems when possible. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones.
6. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate in some driving and road conditions (including at certain speeds) or adverse weather.
7. Length, Width & Height Dimensions are based on GSO Technical Regulations (GSO 159).
8. Height differs by market based on wheel offering
